TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Fremont, in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall, in said Fremont, on Tuesday, the 11th. day of March, next at Ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To hear the report of the Budget Committee and take such action as town deems necessary.

3. To raise such sums of money as may be necessary to defray Town Charges: Care of Cemeteries, Street Lighting, Support of Poor, Old Age Assistance, Maintenance of Highways and Bridges, General Expenses of Highway Department, Public Library and Memorial Day for the ensuing year and make appropriations of the same.

4. To see if the town will vote to raise and appropriate the sum of \$220.02 for Town Road aid.

5. To see if the town will vote to raise and appropriate the sum of \$850.00 for the use of the Fremont Fire Department.

6. To see if the town will vote to raise and appropriate the sum of \$200.00 for Fighting Forest Fires.

7. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

8. To see what action the town will take by ballot on the following question. "Shall the provisions of Chapter 171-A of the Revised Laws, relative to playing Beano be adopted in this town?"

9. To see if the town will vote to authorize the Selectmen to sell at private sale or public auction land acquired by tax collectors deeds.

10. To see if the Town will vote to hold the town meeting at 6 P. M. and continue until all articles of Warrant are voted on.

11. To see if the town will vote to raise and appropriate the sum of \$700.00 for painting the Town Hall.

12. To see if the town will vote to adopt the following building regulations as authorized under Chapters 18-21 inclusive, Chapter 176 Revised Laws of New Hampshire 1942. NOTE: The regulations will be prepared in time for Town Meeting.

13. To see if the town will vote to authorize the Selectmen to appoint an Inspector of Buildings who shall hold office for a term of one year, and by vote fix and regulate his compensation as authorized by section 17, Chapter 176, Revised Laws of New Hampshire 1942.

14. To see if the town will vote to discontinue the practice of Selectmen appointing the Tax Collector, Deputy Clerk and Chief of Police instead by electing.

15. To transact any other business that may be deemed necessary.

Given under our hands and seal, this 20th day of February, in the year of our Lord nineteen hundred and fifty-two (1952).

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

November 15, 1951

Board of Selectmen
Fremont, New Hampshire

Gentleman:

Submitted herewith is the report of an audit and examination of the accounts of the Town of Fremont which was made by this Division, acting under authority of Chapter 82, Section 27, of the Revised Laws of New Hampshire, which provides in part as follows:

“Audit on Motion of Commission. The Commission may cause an audit to be made of the accounts of any city, town, school district, village district or precinct, as often as once in two years, or whenever conditions appear to it to warrant such.xxxx”

This audit covered the fiscal year ended December 31, 1950, and the period from January 1st to October 30th, 1951. Exhibits as hereafter listed are included as part of the report which is made up in two sections as follows:

Section I - Fiscal Year Ended December 31, 1950.

Section II - Period January 1st to October 30th, 1951

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treas-

urer, Tax Collector, Town Clerk and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets - Dec. 31, 1949 - Dec. 31, 1950: (Exhibit A)

Comparative Balance Sheets as of December 31, 1949 and December 31, 1950, are presented in Exhibit A. As indicated therein, the Surplus increased by \$530.61 during the year 1950.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the Town during the year 1950 is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

INCREASES IN SURPLUS

Net Budget Surplus	\$1,714.13	
Increase in Cash in Hands of Officials	.29	
Increase in Accounts Receivable	396.98	
	<hr/>	
		\$2,111.40

DECREASES IN SURPLUS

Cash Surplus Used to		
Reduce Tax Rate	\$1,544.98	
Tax Liens Transferred to Tax Deeds	35.81	
	<hr/>	
		\$1,580.79
		<hr/>
Net Increase		\$ 530.61

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1950, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a net unexpended balance of appropriations of \$1,187.73, plus a net revenue surplus of \$526.40, resulted in a net budget surplus of \$1,714.13.

Summary of Receipts and Expenditures: (Exhibit E)

A summary of receipts and expenditures for the fiscal year ended December 31, 1950, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of October 30, 1951, is indicated in Exhibit J.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursements of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of records. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks.

GENERAL COMMENTS

Indebtedness, Valuation and Taxes:

Exhibit I presents a ten year statement of Indebtedness, Valuation and Taxes. It is noted that throughout the period from January 31, 1941 to December 31, 1950, a Surplus was maintained. There were no outstanding temporary loans or long term notes during this period.

The assessed valuation increased by a little more than 20%, while the amount of the annual tax levy nearly doubled, - going from \$16,865.49 to \$32,021.50.

Uncollected taxes at the close of the fiscal year were practically non-existent and unredeemed taxes showed a slight increase. The local tax rate increased from \$3.00 to \$4.80 per hundred compared to an increase in the average rate for the State during this period from \$3.41 to \$4.31.

Town Balance Sheet - 1950:

The Town Balance Sheet of December 31, 1950, which was included in the annual financial report filed with this office, indicated as both asset and liability accounts the following items:

Capital Reserve Fund - Centralized School -
\$9,705.64
Daniel Burleigh Cemetery Wall Fund \$1,170.56

Neither of these items should have appeared in the balance sheet. The Capital Reserve Fund of \$9,705.64, was turned over to the School District by the Trustees of Trust Funds during 1950. The Daniel Burleigh Cemetery Wall Fund is a trust fund held by the Trustees of Trust Funds and was properly included in their report.

The Town financial report which was filed with this office indicated total unredeemed taxes of \$1,516.32 and uncollected taxes of \$897.19. The actual amounts of unredeemed taxes and uncollected taxes, as indicated by the Collector's records and as shown in the balance sheet of this report (Exhibit A), were as follows:

Unredeemed Taxes	\$897.19
Uncollected Taxes	\$ 8.00

The balance sheet which appeared in the Town printed report of December 31, 1950, on Page 20 as part of the Treasurer's report, indicated a balance due the

School District a - c of the 1950 appropriation of \$5,790.00. Accounts receivable amounting to \$1,721.61, were also omitted. The appropriation balance due the School District, as of December 31, 1950. was actually \$2,790.00 and the Town closed the year with a Surplus of \$2,960.20, rather than a Net Debt of \$2,045.35 as incorrectly reported therein.

The balance sheet should reflect the true financial condition of the Town at the close of the fiscal year. To accomplish this end, it is important that the accuracy of all asset and liability accounts be checked before their inclusion therein.

Conclusion:

With exceptions as herein indicated, the accounts and records of the town officials which we audited were found to be in good order.

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual Town report. This letter of transmittal should be included in its entirety but the inclusion of Exhibits is optional.

We extend our thanks to the officials of the Town of Fremont for their assistance during the course of the audit.

Yours very truly,
Harold G. Fowler

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Fremont for the fiscal year ended December 31, 1950, and the period from January 1st to October 30th, 1951; and, with exceptions as herein noted, found them to be in good condition. In our opinion the Exhibits included herewith reflect the true financial condition of the Town, together with the results of operations for the fiscal year ended December 31, 1950.

Following is the list of Calls received by the Fremont Fire Dept. in 1951. The most serious one was the fire at Mrs. Addie Robinson's house caused by lightening.

The worth of our tank trucks was again apparent, having water immediately was the means of saving the house.

I feel that a notice in this report telling of the quickest way to report a serious fire might save valuable time.

At night time a telephone call to Spaulding and Frost Mill, Raymond, 3 rings in the boiler room. This would result in the mill whistle being blown immediately to summons help and the immediate start up of the fire trucks.

For minor fires at night call the Chief's House, Raymond 142-2.

Fires in the day call Garage, Raymond 140-2

FLORENCE A. GEORGE,
Auditor

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Fremont:

It gives me a good deal of pleasure to submit this, my second annual report as your Superintendent of Schools.

For the past year Fremont has been experiencing the same results that other towns throughout the state have experienced when they increased the educational facilities of their school system. A year ago the school census for Fremont indicated there would be 16 first graders when school opened in Sept. 1951. Later on in the spring a careful survey showed that this 16 had grown to about 24 which would create a definite problem of crowding in a combined class of first and second graders. Further study on the part of the school board showed that this problem would be with us for some time and that it would have to be met if the children of Fremont were to receive the kind of instruction they were entitled to. Rather than take a step backward and going along with overcrowded class rooms in a new school, the school board and superintendent felt that the only direction was forward so an additional teacher was added and Grades one and two were assigned to two teachers instead of one. The following table gives a clear picture of the problem and if one bears in mind that the purpose of the Ellis School was the assignment of no more than two grades to a teacher, the need of an added teacher is just that much more apparent.

Grade	1951-52	1952-53
1	27	20
2	16	27

3	18	16
4	10	18
5	11	10
6	15	11
7	9	15
8	8	9
	<hr/>	<hr/>
	114	126

A study of the table will show that the influx of war babies has hit Fremont's schools and that the primary classes are considerable larger than the upper grades, thereby keeping the problem with us for some time at least.

It is a foregone conclusion that poor instruction in the lower grades plagues a pupil for the rest of his days in school. By assigning a teacher to each grade the level of instruction in grades one and two have been raised considerably. There is more time for individual help to those pupils who are not quite ready and also more time for the average and advanced pupils. Not only that, Mrs. Willette, Grade two has been able to work with slow readers in Grades three and four and has helped their work immeasurably. Put in terms of dollars and cents the additional teacher has been a wonderful investment for the future of Fremont's young people.

TEACHERS

Mrs. Ruth McGall has been hired as the additional teacher. Mrs. McGall's work is well known to the parents of Fremont; she has been doing a fine job with grades three and four.

Mr. James McShane, K. T. C. 1951, to teach grades 7 and 8 and coach boys' sports. Mr. McShane replaced Thomas Chesley and has done very well in carrying on the work Mr. Chesley had started.

Miss Ann-Marie O'Shea, B. U. School of Music "51" to replace Miss Jean Readio who resigned to be married. Miss O'Shea's musical background has permitted her to fit very nicely into the type of instruction necessary for a Supervisory Union position.

HOT LUNCH

The addition of a six burner gas range to the school kitchen has been a great help to the lunch program.

Mr. Michelson has been doing a fine job in his endeavors to work up a tasty, nutritious meal for the school children. The P. T. A. deserves a great deal of credit for its continued support of such a worth while program, through its donations, voluntary helpers in the kitchen, and moral support.

TESTING PROGRAM

A Union wide testing program has been instituted this year. Children in grades 4, 6, and 8 were tested in October by the University of New Hampshire counseling service. Grades 4 and 6 were given Mental Efficiency tests plus Achievement tests in Reading, Arithmetic and English. Grade 8 was given a battery of tests which included, Interest Inventory, Mental Efficiency, Mechanical Aptitudes and Comprehensive Reading. Grade 8 tests shall be used as a medium for counseling and guiding pupils into selection of a high school program best fitted for them in terms of interest and abilities.

These tests are in the hands of the respective teachers who would welcome the opportunity to sit down with any and all interested parents for a discussion of their child's problems as indicated by the tests. Naturally these tests are not infallible, but they are of immeasurable help when supplemented by the teacher's judgment. I urge parents to take advantage of this opportunity to sit down with the teacher and discuss their child objectively.

GUIDANCE

As the value of a testing program must be measured by its use and because the State Department recognizes the value of a full time Counselor in Guidance Work, the Union has voted a sum of money to pay part of such a man's salary. The State Department of Education has consented to match the amount voted by the Union in order to set up a pilot program on a supervisory union basis. This program will be the only such program in the state and will be closely supervised by your Superintendent and the State Guidance Directors. It should prove of great value to Fremont in that it will make available a man trained in counseling techniques to work with parents, teachers, and children in working toward the solution of problems in mal-adjustment, truancy, and others common to the advanced or retarded child.

Finally, I wish to express my appreciation to the school board, citizens, teachers and pupils of Fremont for their cooperation and friendliness. It has made my work in Fremont very pleasant.

Respectfully submitted,
LOUIS L. RAMSAY,
Superintendent

REPORT OF MUSIC TEACHER

To the Superintendent and School Board, Citizens of Fremont:

The first consideration in all music work in the schools is the child; his mental and emotional condition, his tendencies and possibilities for absorbing music.

There is a way to teach music to children in the schools, a way which emphasizes the mission of music as a potent force in its power to soothe and heal; to inspire and stimulate. This way entails:

Music Reading, which is simply a means to an end which permits a wide experience in **Song Singing**, which is an incentive to musical growth and results in **Music Appreciation**, which is the open door to greater opportunities in the world of music.

Besides these above phases of music, the children have had experience in Folk Dancing, Music Listening and Music Theory.

I wish to express my appreciation to the School Board, Superintendent, teachers, parents, pupils and other citizens for their cooperation.

Respectfully submitted,
ANNE-MARIE O'SHEA,
Music Supervisor

HEALTH SUPERVISION

To the Superintendent and School Board, Citizens of Fremont:

Following is a report of the school health program from January 1, 1950 to January 1, 1951.

The same health work has been carried on. Monthly inspections of heads, skin etc. plus visual and hearing tests, examinations of teeth, throats, glands and posture. Defects found were followed up with home visits and when necessary, ways were provided for the corrections of defects.

Weighing and measuring in September, February and June. Brief health discussions when needed. Pupils in grades seven and eight were all skin patched for tuberculosis.

The hot lunch program continues to be a great success. There is no question as to its being a strong factor in the good health of the children.

With Dr. Houston's kind cooperation, a round-up was held in June. This was for the children entering school in the fall. Twenty-three attended and had physical examinations, and were vaccinated.

I am grateful for this opportunity to thank those who have cooperated and given this program such fine support.
